

Please note the following:

1. Delivery times are approximate and can be slightly different depending on the destination and the period of the year
2. Gatefold sleeves usually weight more
3. Cardboard boxes and protective material weight from 60 to 300 gr depending on the size of the parcel
4. All records are new and never used. We unseal records only in the case we must identify the exact version. Sealed records are unsealed before shipping only upon request
5. Shipping cost is automatically calculated at checkout, based on the selected shipping method and the total weight of the ordered items
6. We have tried to combine the most reliable, cheap and efficient shipping. For either cheaper or faster or additional postal services please e-mail us at info@dirtynoise.gr to provide corresponding terms and cost
